**KHS OGA NEWS LETTER NO. 3 – 2018/2019**

Dear friends,

The biggest event on our calendar, the fund raiser, 'Gatsby Night' was held on 15<sup>th</sup> September 2018 at Waters Edge, Battaramulla with the Band Doctor and DJ Shiran in attendance. It was a huge success and the guests who made it to the event showered us with accolades for the entertainment provided. Our sincere apologies to all the people who could not be accommodated due to the high demand for the tickets.

As mentioned in the previous news letter, the profits gained from the fund raiser are being utilized for an identified community service project and a sustainable

project in helping our own school, Kandy High School.

As for the charity project, plans are underway to provide a deep well, a water tank, pipe lines and taps for fresh water for drinking and sanitation as well as an overhead projector and the necessary equipment to Mangalaeliya Junior School, Puttalam.

Simultaneously, the Chemistry Laboratory of our alma mater will be refurbished according to the needs of the School Management facilitating the Science Stream students to perform even better at public examinations. As you may be aware, our students have done well in the year 2017 securing 20 places in the Faculty of Medicine and 13 places in the Faculty of Engineering.
