KHS OGA NEWSLETTER NO. 03 – 2020/2021

Dear friends,

We are reaching the end of an unprecedented and unusual year for the Association when we have not had the pleasure of gathering to share friendships and fellowship a single time. As unfortunate as that has been, we hope you agree that such gatherings was neither prudent nor socially responsible in the circumstances.

Donation of Masks to the Colombo South Teaching Hospital

Since we last communicated with you, you may already have learned through the Association's Website that despite sever constraints placed on our activities this year, the Association, in its continuous efforts in engaging with and contributing meaningfully to our society, recently donated 1,000 KN95 face masks to the Colombo South Teaching Hospital, Kalubowila. The President was joined by a small number of Committee Members in handing over the donation to Dr. Pradeep Wijesinghe, Director, and Dr. Shirani Chandrasena, Consultant Microbiologist, on 27th Nov 2020 on behalf of the Association.

By a subsequent letter of appreciation, the Director mentioned that following our Association's donation, several other parties had also followed our gesture of goodwill, and thanked us for initiating a step that was presently of critical importance to all medical teams.

Members' Directory

The Committee is happy to report that the arduous but necessary task of creating an updated Members' Directory is complete. This has been a gargantuan effort on the part of a dedicated sub-committee assisted by many Senior Members to trace as many Life Members as possible, as well as to enroll many new members into our fold. The new Directory will be made available to the Membership for purchase at the Annual General Meeting, details of which appear below.
