KHS OGA NEWSLETTER NO. 3 – 2022/2023

Dear Friends,

We hope you are all keeping well.

The Committee's continued work during the past few months since our last Newsletter has found fruition, and we are excited to share all the news with you:

Fundraiser 2022 – 'Sing for Sri Lanka'

The Fund-raising effort was signed off on 1st October, 2022, with our fund raiser event under the banner "Sing for Sri Lanka". Again, what began as a relatively modest event on a very reasonable budget, the demand for tickets was such that with 2 weeks away from the event, we were all sold out.

We thank all those who supported with their participation. By every account received, the evening was a resounding success. We feel very fortunate to have been able to give our members a memorable event.

Social Project - Base Hospital, Walasmulla

We are extremely grateful to all who stepped forward and purchased tickets in donating towards this worthy cause. Despite very hard times, our members and well wishers within the community came forward with generous and ready generosity, the result of which was a successful campaign of fund raising which enabled us to surpass all our expectations.

We are glad to report that the following items were formally handed over to the Walasmulla Base Hospital:

- Three-function adjustable bed - 01
- Multiparameter Monitor - 01
- Patient Warmer - 01
- Stock of essential lifesaving medicines

Several of our Committee Members attended the handing over ceremony on behalf of the Association. Some images appear below:

Please visit our website at www.khsogacmb.lk for many more images of these events.

School Project

With the funds that were raised, the Association was also able to assist our School by donating a Smart Board for enhanced interactive classroom teaching. The equipment was installed for the Grade 10 classes, and a training session for some of the teachers was also held recently.

Having reported to you the above, the following are events planned for the upcoming months -
