KHS OGA NEWSLETTER NO.4 – 2021/2022

Dear Friends,

We hope you are all keeping well.

Since our last Newsletter to you, we are happy to share news and images of the following events that were concluded:

Handing over of the Middle School IT Laboratory

After the successful completion of the fundraising Raffle Ticket Draw, the Committee has used the funds raised, together with the assistance of a well-wisher, and completed setting up of the IT Laboratory.

In mid-November 2021, the Committee travelled to Kandy, and formally handed over the facility to the Principal at the School premises. We were joined at this occasion by our main donor, being Prof. Kingsley De Silva and his son Rajiv, who made a large contribution towards fully equipping the laboratory. Some pictures appear below. Please visit our website for more images.

Christmas Dinner

It was indeed fortunate that we were able to hold an event for members after quite some time. The annual Christmas Dinner was held at the Nelum Function Hall at Water's Edge on 10th December 2021. Although the number of attendees was restricted by the venue due to health protocols, we were very happy to see that all who joined in the event had an enjoyable evening.

Here are some of the many memorable moments from that event:

Many more pictures of these events are posted on our website.
