Dear Member,

Hope this Newsletter finds you in the pink of health. We are well into the second half of 2023, and one of the main events of our Annual Calendar, the Annual Picnic, was held at Goldi Sands, Negombo on Saturday, 27th May 2023. It was a day filled with fun activities, entertainment, camaraderie and good food. An amazing day was spent by one and all. Have a glimpse of what it looked like.

This year too, the money collected from the Fundraiser is used on two worthy causes: a social project and school project. Under the social project, we are assisting the Kandy National Hospital to develop a safer environment and psychological support for the mothers in the Post-Natal Unit.

As for the school project, we are refurbishing the School Junior Chemistry Laboratory which is an essential part of the school's curriculum, and it is important that it is well-equipped and up-to-date to provide the students with a comprehensive and hands-on learning experience.

Achievement of Alumni

We also have another great news to share with you! It is with much pride and joy we inform you that Ayodhya Iddawela Perera, an Old Girl of Kandy High School and a Life Member of our Association, was recently appointed as the Managing Director at Sampath Bank PLC. The Committee felicitated her on behalf of the Association for her great achievement by inviting her for dinner and gifting a plaque of appreciation.
