Dear Member,

Hope you are keeping well! Here are a few happenings that took place since you received our last newsletter.

- **Fundraiser**

The fundraiser 2024 'A Night in Tuscany' was held at Kingsbury Hotel, Colombo on Saturday, 05th October 2024. It was a night to remember enjoyed by all who attended it with much fun and frolic, great music, delectable food, prizes and surprises.

Here are a few pictures that evidence it. You may visit our Website for more pictures.

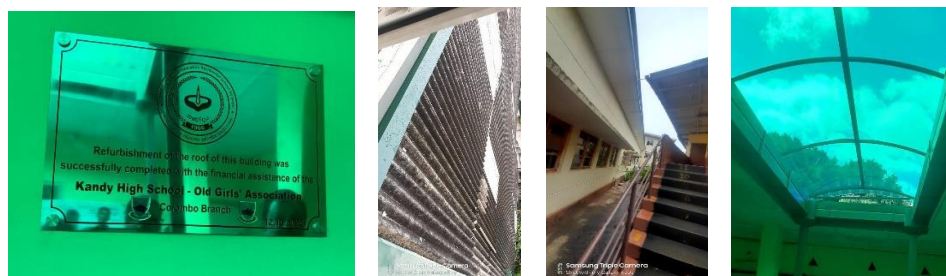

- **School Project**

As we informed you in our previous newsletter, part of the funds raised from the above event was spent on refurbishing the partitioning of Science classroom which was much needed as well appreciated by the School. Have a look!

- **Community Project**

The refurbishing of 'NAVODAYA' Special Education Residential School for Boys, Kandy, which was done as this year's Community Project too was well cherished by the respective Board of Management as well as the children.

We were able to successfully complete both these projects only because of yours and our well-wishers' generous support. A very big 'Thank-you' to you all!
